

The first two items have been changed to suit the WA Stage 3 COVID Safety Plan rules:

- Once inside communal areas are available for use, groups will conform to the 2 sq m per person rule. Changed from 4 Sq m per person rule
- Club members will be regularly reminded not to attend club sessions if they feel unwell, (COVID or non-COVID symptoms), or if they have been exposed to people who have been exposed to COVID. They will be emailed regularly with reminders to check for symptoms. Changed from weekly reminders

The following 2 items have been deleted to reflect the government changes.

Delete:

- Groups to meet in separate areas on the oval with trainers.
- Each group sent to walk/run in a different direction.

I also made a couple of minor tweaks with the language of the plan to suit the changes beginning on Saturday.
